

FINES AND FEES

Library cards are free to residents of Ripley Township. If you are a Non-Resident you may get a library card by paying a non-resident fee of \$50. Public Library Access Cards for use at Indiana public libraries may be obtained for a fee of \$65. PLAC cards enable individuals to use any public library in the state of Indiana. Photo ID and proof of current local address, such as a Indiana Driver's License, must be shown to apply for PLAC and nonresidential cards. PLAC cards are available to individuals with a valid home library card from within the state of Indiana. Both the Non-Resident and PLAC cards must be renewed every year.

We no longer charge for late materials. However, if an item is damaged or lost the patron must pay for the item. If an item is borrowed from a library that does charge fees, the borrower is responsible for the fines incurred due to late or damaged materials.
