AT CHRISNEY HIGH

ADMINISTRATION

PRINCIPAL'S MESSAGE

Today's high school has the twofold responsibility of providing education for all, while attempting to serve each individual according to his needs and talents. The needs of young people in modern America are surely moving toward the inclusion not merely of their own world but of outer space as well. With the realization of this development, demands upon youth are ever increasing, and the need for solid background is becoming more and more apparent. To this end, the schools must continually strive.

L. FRED AYER, PRINCIPAL

This Reflector of 1958 is dedicated in the memory of Gurley A. Hopper who died May 25, 1957. Mr. Hopper, starting his career at Judd School at Lynnville, had been a teacher for twenty-five years. He received his B.S. degree from Oakland City College in 1932 and obtained a high school license in Social Studies and Science. In 1949 he received his Master of Science degree in Education from Indiana University and his elementary and high school principal's license in 1950.

Mr. Hopper had been a high school principal for four years. After he served as principal for two years at Lynnville High School, he was principal for two years from 1955-1957 at Chrisney.

In April 1957 he received license for Superintendent, and shortly before his death he had been elected Superintendent of Spencer County Schools.

We at Chrisney High School have been privileged to have had Mr. Hopper as our principal for two years. He was not only a principal but also an advisor and friend as well. We are sure that all former students of his are deeply appreciative of his influence and steadfast guidance which has helped them become a better person.

DEDICATION

The class of 1958 also wishes to dedicate this year book to Keith Kramer.

Mr. Kramer received his B.A. degree from Evansville College in 1951. After two years in the Air Force, he started teaching here in December 1953. He has been our Social Studies teacher for the past five years.

Mr. Kramer has been ill since November of 1956, and was not able to be with us this year.

The Class of 1958 hopes he is better soon and will be able to be here next year. We wish him many years of success and happiness.
