Somewhere in the picture above some of you can find yourself as you watched the crowning of the Fall Festival queen. On the following pages we hope you can find yourself many more times as you posed for your class picture, tackled a classroom problem, led the Wildcats to victory, or whatever.

We hope that this book contains your most exciting memories of Chrisney High and that each time you look through it, you will be reminded of the best years of your life.

The Junior class kept very busy during the past school year. To make money, we worked in the concession stands at all the home grade and high school basketball games. The prom was also given by the Juniors. A lot of effort was put into it and everyone enjoyed it immensely. The Juniors received their class rings on November 3. They were pretty and we enjoy wearing them. And now that the school year is nearly over we are looking forward to starting our senior year in September, 1966.

For the Sophomores, 1965-1966 was a very good school year. We started by electing our officers. June Leistner was our Fall Festival Queen Candidate. On September 24th we received our class jackets. At the school fall festival, our Queen and King candidates, Sarah Crowe and Tom Litkenhus, won their crowns. On October 29th, Sadie Hawkins Day was held. The Sophomores won the tugging trophy and the sportsmanship trophy, but didn't win the basketball trophy. On December 21st the class of '68 took battery tests. Around the first of May, we ordered our class rings. We wish that everyone could have had as good a year as the class of '68.

FRESHMAN INITIATION

The seniors held freshman initiation in October. Rick Hile is shown here refreshing himself with milk after making a speech.

ACTIVITIES

CHS students are offered a wide range of activities in which they may take part. The first activity this year was the Chrisney Town Fall Festival which was followed by the PTA Fall Festival. A CHS queen reigned at each.

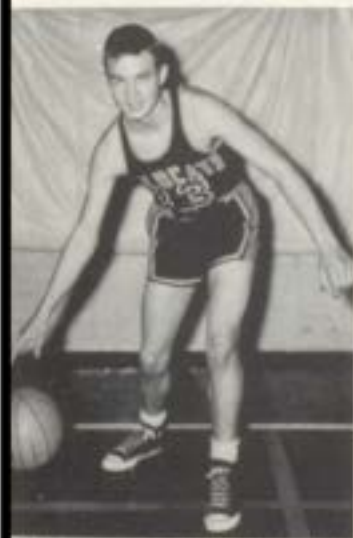

The baseball team won the PVC championship. This added another trophy to our new trophy case which was a project sponsored by the student council. On January 28, CHS crowned their basketball queen. The grade school queen crowning took place on December 9. Another highlight of the year was the All Sports trophy which was presented to us in December 1965.

The Dramatics Club presented 3 one-act plays in November, a Christmas play, and a spring musical.

The Music Department had a very active year. Donna Lautner, Margaret Ficker, and Donna Woolard received first place ratings at the solo and ensemble contest.

For Seniors, the memories of this school year will include magazine sales, the Christmas dance, and the prom. A representative of the Senior class was entered in the DAR contest.

The Seniors again added diamonds to their treasury of memories while on their class trip and finally the long awaited graduation day.

The Chrisney High Science Club composed of 24 members, had their first meeting in November. For our first meeting we had a party at the home of Mr. Dunlap. We all enjoyed it very much and also held our organization meeting at this time in which we discussed various projects, dues, and also elected officers. The officers are President; Kevin Reitz--Secretary and Treasurer; Vera Rininger--Reporter; Donna Lautner. Everyone selected a project and these projects were exhibited in March at a PTA meeting. A few of the members attended the regional science fair at Evansville College on March 26.

MARY AGNES EPPLE

Our representative in the DAR good citizen contest was Mary Agnes Epple. The DAR test was on state and national governments.

There were two essay questions. One asked what the girl had done during her high school years that was the most rewarding to her and why. The second was to write on the DAR theme, "Where the spirit of the Lord is, there is liberty."

DAR Contest

The 1965-66 Student Council had a busy and successful year.

A project supervised by the Council was the building of an additional trophy case. We are proud to see our case rapidly filling.

We made recommendations to the School Board concerning our policy of senior trips. We were also able to get a longer lunch period this year.

The Student Council sponsored the basketball queen and cheerleader elections. A provision was made for a fifth varsity cheerleader-the first in C.H.S. history.

Time was also spent reviewing the regulations now enforced and considering new policies.

Sandy Braun attended Girl's State at Indiana University, Bloomington, Indiana. She was a State Representative for Morgan City.

Sandy was sponsored by the Chrisney V.F.W.

Girl's State is set up exactly like the Indiana State Government. The girls get the opportunity to see how our government works and during the week all girls take an active part in the study of Indiana government, and in the fun activities at girl's state.

Our cross country team participated in two meets last fall. One was the P. V. C. meet, and the other was with Holland and Spurgeon at Holland. All of us ran the two mile course at an average time in the last meet. Everyone had improved after the first meet, but not enough to take top honors. By participating in these meets, we gained valuable points, which we will need in order to receive the all sports trophy this year.
