SUE AHRING ATTENDS HOOSIER GIRLS' STATE

Hoosier Girl's State, sponsored by the American Legion Auxiliary, illustrates to the girls of Indiana the fundamental principles of Indiana government through actual practice and control.

The Santa Claus Auxiliary sponsored Sue during a week of June in which the girls lived in a pretended county and city. The political parties were either Federalist or Nationalist.

Getting acquainted, electing precinct committeemen, and deciding what office to run for was first. Then meetings, campaigns, elections, and conventions were held.

Mrs. Birch Bayh, Mrs. William Bray, Mayor Hooker of Bloomington, and Joseph Sutton, who is President of I.U., were some of the speakers.

The last day was Honor Day, at which all the parents were invited to attend.

KATHERINE BRAUN CHOSEN DAR GOOD CITIZEN

Katherine Braun has been selected as the Chrisney Representative in the DAR Good Citizen Contest. She was chosen as our Good Citizen by the senior class and the Faculty of CHS. Judging was based upon qualities of dependability, service, leadership, and patriotism.

She is the daughter of Mr. and Mrs. Hilbert Braun.

Katherine will receive a Certificate of Award for her participation in the Contest. The Spencer County Contest is sponsored by the Spier Spencer Chapter of the Daughters of the American Revolution. The county winner will be entered in the state contest.

Mrs. Smith is continuing her second year here at CHS as a teachers' aid.

Mr. Purviance, our custodian, is busy keeping CHS in good shape.

The cooks, Mrs. Hattie Carter, Mrs. Keturah Grigsby, and Mrs. Fredia Koenig are kept busy preparing around 200 meals a day.

It's a proud moment. He's just received a piece of paper that may be worth \$65,000. It's his high school diploma. Because of it, he has an edge over those who didn't finish high school. He has a better chance of finding and keeping a job. And he'll probably earn about \$65,000 more during his lifetime, according to a recent survey. If he goes on and finishes college, he stands to earn an additional \$100,000 (average) during his lifetime. The one who is best equipped has a big competitive advantage. Fact is, any way you look at it, a good education is well worth the effort. Good luck!
