Dale High School
Dale, Indiana
Volume XIX

We the Memories Staff...

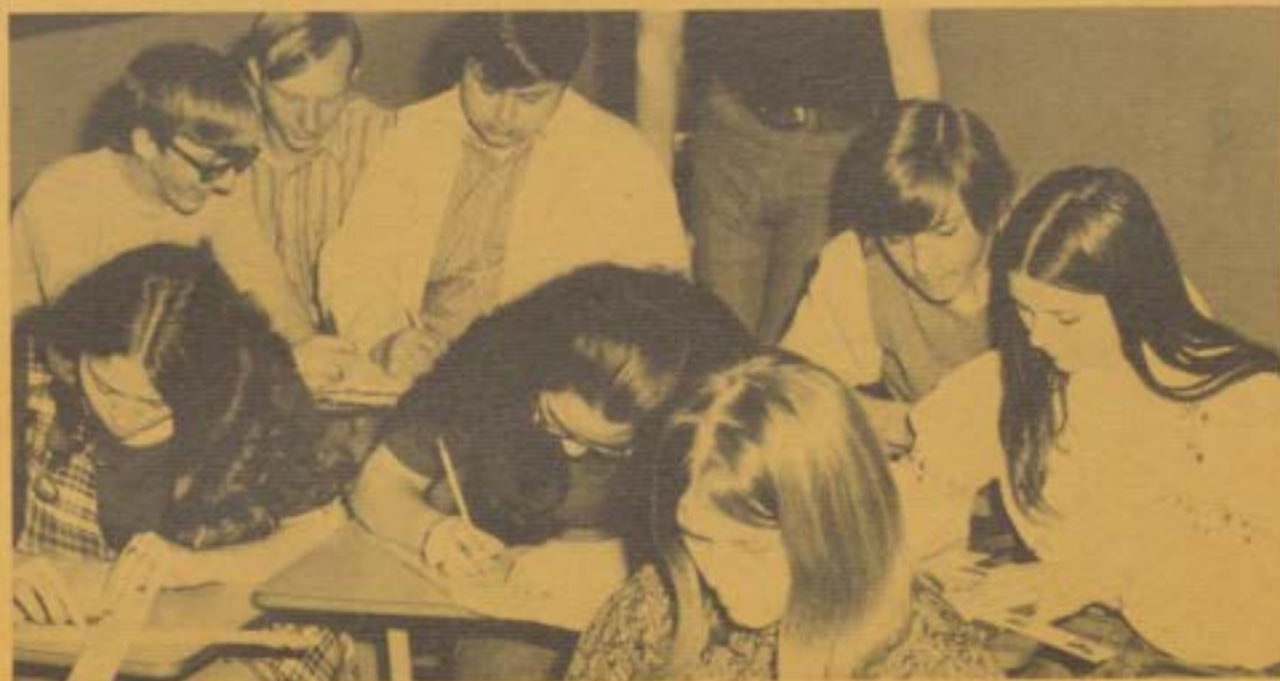

We the Memories Staff wish to dedicate the 1972 Yearbook to all of those students, alumni, and faculty who have entered the doors of Dale High School during its sixty four years of existence and to those who have left our world for a better one above. We wish to thank everyone who made this last year at Dale one that shall never be forgotten by anyone as long as they shall be able to recall the days of growing up as students.

Many a graduate has left Dale High to seek a future in this world of ever-changing wonders and to find a living bent suited for their educational field which was obtained at this once small high school. From the first graduating class of two to a graduating class of 120 in the final days of D.H.S., it has not only increased in student population but also from the six room building and outdoor basketball court to a twenty-eight room building with a cafeteria, an indoor basketball court, outdoor baseball diamond, football field.

And a special thanks to those who at one time left the doors of Dale but after many years returned to be a part of the school as it slowly fades into the past. Those that graduated from here and returned to take a part in this last year are Mr. Arnold, Mr. Bays, Mr. Brown, Mr. Hendren, Mr. Rosbottom, Mr. Schmuck, Mrs. Winkler, Mr. Painter, Miss Meyer, Mrs. Stacy, and Mrs. Pund.

Looking
back . . .

The original Dale High School, shown here under various stages of construction, saw its first class graduated in 1909. Two additions were made to the building in later years to make it the D.H.S. we know today.

Franklin Kokomoor, one of the two graduates in Dale's first graduation class, had a descendant in Dale's last class, Mrs. Faith Wynn Albin.

Queen's Court: Nancy Zoglman, Ramona Walker, Bobbie Thompson, Gayla Johnson, Maid-of-Honor Mary Kay Muth, Queen Nancy, Diane Gogel, Ruthie Hagedorn, Ruthie Mehling, Shirley Phillips.

The homecoming parade wound its way to the football field. Class floats and bands added to the celebration. There was sadness as well as excitement in knowing that our 1972 Homecoming Queen, Nancy Kellems, would be Dale High's last football queen. From now on the queens will represent Heritage Hills. Dale faced a strong Ft. Branch team in the homecoming contest and went down to its first defeat at Ft. Branch's hands.

Year's Activities

With all the different styles of clothing the Madrigals show what it's really like today.

Peggy and Ken recall the days of the jitter bug during the fifties.

An extra added attraction was, the appearance of Dale's own Elvis Presley.

Pops Concert, Choral Festival

This year the D.H.S. choir consisted of approximately 60 students, ready and willing to lend their vocal cords to choir director Mrs. Donna Marchand.

During the year the choir participated in the choral Festival at Harrison High in Evansville, the Christmas Concert, the Pops Concert and the Spring Concert.

The Madrigals, consisting of 13 singers, were a special addition at most concerts.

On May 11th and 12th the Madrigals made a singing tour at several schools in the North Spencer Corporation.

FHA Has Productive Year

FFA Renders Service to School and Community

Both the FHA and FFA engaged in several community and school services this year. Among these were the FHA's monthly trips to local nursing homes, supplying the pencil and paper machine and sending packages to men overseas. The FFA planted trees at David Tumham Educational Center, conducted a pest control contest, and provided the students with cokes from their coke machine.

Honor Society aims high

The goals of the National Honor Society are Character, Service, Leadership, and Scholarship. Both old and new members strive for CSLS.

Council serves students

The Student Council serves as a link between students and teachers. It fulfilled that aim by sponsoring various activities during the year. This included the homecoming parade, after game dances, and Spirit Week. Their main source of income is the candy machine as seen here being filled by President Stan Spayd.

Willing to give her a place in the sun. Strange--how we thought she'd never wear out, But, see how she walks-- arthritis, no doubt. Her eyesight is faded, her memory's dim, She's apt to insist on the silliest whim. When people get older, they become such a care. She must have a home, but the question -- where? Remember the days when she used to be spry? Baked her own cookies--made her own pie?

A year

With everything from sprained ankles to "mono" the Dale Aces struggled through this year's season. Most of the year someone was either out sick or injured leaving a group that couldn't pull themselves together. But once everyone was back working together, the Aces surprised many a student, coach, fan, and parent. The highlight of the season was reaching the semi-finals of the Boonville Sectional where we were downed by Tell City by a score of 63-77.

People Who Keep

Mrs. Vernita Thorpe, Mrs. Elsa Clark, and Mrs. Ethel Flamion keep busy planning and preparing our daily meals.

Katherine Meyer, school secretary, works hard at keeping the school records accurate along with other jobs.

Teacher's aide, Romilda Pund types up a test for a teacher, which is only one thing she does during the day.

Our School Functioning

Our bus drivers who put up with teasing, loudness and etc. 1ST ROW: Ray Hildenbrand, Bill Painter, Charlie Gogel, Dennis Philipps, Norman Dilger. 2ND ROW: Albert Harris, Harold Becker, Carl Gunn, Charles Ruxer, Cletus Litkenhus and Ken Southwood. Francis Nord was absent when picture was taken.

Jeanie McIntosh does double duty. She drives the early and late bus routes.

Bill Painter, our school janitor, is always busy. Keeping the school and grounds clean and driving bus are some of the things he does.
